PROBATION

PROBATION

PROBATION

The Probation Department is a part of the judicial system which is responsible for the supervision of offenders who are placed on probation. It is a branch of the criminal justice system which is designed to provide a more effective and efficient method of dealing with offenders who are not sentenced to prison. The Probation Department is responsible for the supervision of offenders who are placed on probation, and for the preparation of reports on their progress. It is also responsible for the preparation of recommendations on the disposition of offenders who are placed on probation. The Probation Department is a part of the judicial system which is designed to provide a more effective and efficient method of dealing with offenders who are not sentenced to prison.
